

Oxifree Global LLC

Corporate Policy Statement

Oxifree Global aims not only to satisfy, but also exceed, our clients' expectations by providing them with a quality service.

Oxifree Global aims to:

Develop an Integrated Management System that will comply with requirements and lead to continual improvement in all areas of our operations.

By clearly defining aims and objectives, be able to train and develop our people to the standard required for delivery of a first class quality service to clients while demonstrating our commitment to health, safety and the environment.

Ensure confidentiality of information, including that provided by clients.

Identify and comply with all relevant legislation and other requirements to which we subscribe.

Assess the environmental impact of our key processes, products or services.

By careful use of material resource reduce waste to a minimum and minimise pollution.

Provide a safe and healthy working environment for all our people.

Develop a health and safety awareness culture throughout the organisation ensuring that best use is made of all safety related items.

Ensure the health and safety of sub contractors and other persons who may be affected by our activities.

Conduct our activities responsibly and in a manner that will protect from harm our staff, the public and the environment.

Ensure that all employees are aware of their statutory duties and take reasonable care of themselves, others and the environment.

Oxifree Global will achieve these aims, and meet our business objectives, through the development of an Integrated Management System, internal communication, supervision, and the ongoing training and development of all our personnel.
